Dear Residents,

It is with sincere concern that we hope all of you are doing well. We urge that you heed of the warnings that have been announced daily, by the Governor and others via the news and social media. The Housing Authority is working remotely to continue staying in touch with the residents.

This letter is to inform you about the various services and programs that are available for you and your family. As you may know, children (students) can get a “Grab and Go” bag which contains the days lunch and the next days breakfast items. These meals can be picked up at Pell School Monday through Friday from 12:00pm – 1:00pm. In addition, the city is providing emergency food supplies to families on Wednesdays from 1:30pm – 3:00pm.

For seniors who are sixty (60) and older, a five (5) day supply of meals will be provided and delivered. If you want a meal please call 743-3197.

Following is a list of services or programs that may fit your needs. If you need or want more information you can call 619-1949 ext. 1022.
